

## An Appeal from SYMA

Respected Sir / Madam,

Established in the year 1977, SYMA has been in the forefront of social service with its multifarious activities.

Our accomplishments in rendering social service would not have been possible without the patronage extended by great philanthropists like you, who have been readily lending helping hand to us at all times. We share our ecstasy and rededicate ourselves with renewed vigour to serve the society. We plan to execute the following programmes with your active support :

- 1) Providing quality coaching, yoga and other personality development Classes to students of 10th & 12th standard through our Educational Institution – “Growth”
- 2) Providing school uniforms to deserving students and financial assistance to needy college students
- 3) Running Medical Centre wherein medicines are distributed free and running Laboratory for poor
- 4) Conduct camps raising awareness and encouraging blood donation, eye care, free cataract surgery, health camps, Rain Water Harvesting, Civic amenities, etc.,
- 5) Conducting Children talent development programme once a year providing platform for children to showcase their talent.

Donations to our Corpus fund are welcome. Names of donor above Rs.1 lakh would be inscribed in front of our Medical Centre.

All Donations are eligible for Exemption under Sec 80G of IT Act upto 50%

A journey to thousand miles begins with a single step. In 1977, we started providing uniform to 2 students; now around 1200 students benefit from our scheme.

More than 4000 students of 150 Schools compete in our Child fest program

We look forward to your continued patronage and would be grateful for your financial assistance. Cheques / DDs in favour of Srinivas Youngmen's Association, payable at Chennai is requested.

Yours sincerely,
